About the Expo

The Second Edition of Power & Elec Tanzania International Exhibition, the Largest Upcoming Power, Energy, Electrical, Electronics, Renewable, Solar and Telecommunications International Exhibition in Tanzania will be taking place from the 19 - 21 August, 2026 at the Diamond Jubilee Hall in Dar Es Salaam, Tanzania. The exhibition will be the gateway to the East African Business Community in Tanzania.

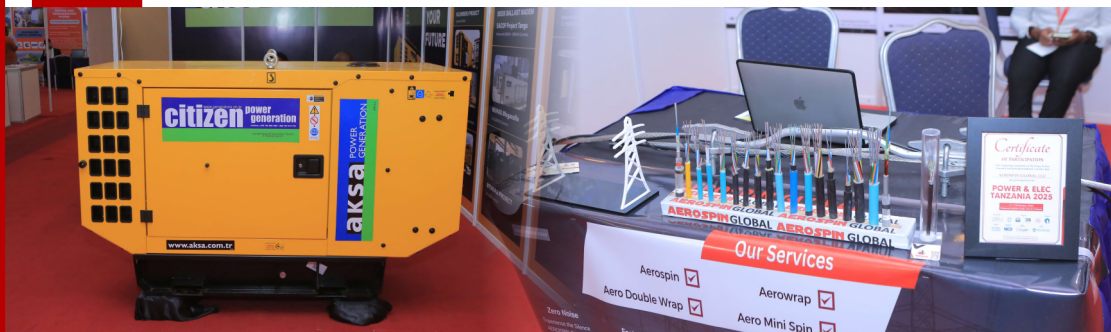

The event will be hosting Power & Elec Professionals, Importers & Exporters, Wholesalers and Decision Makers of the East African Region in Tanzania. Exhibitors from around 10+ countries will be participating in this exhibition looking to explore the untapped potential of the East Africa Market.

The show provides an immense opportunity to capture the untapped market of the East African Region through Tanzania. It is one of the shows in the umbrella of upcoming shows being organised in the East African Belt. The show is organised by Exhibitions & Trade Services India Private Limited in partnership with the local associations and bodies based in Tanzania.

Power & Elec Tanzania International Expo will have participation of more than 100+ exhibitors with the total area occupied by them being around 2500 SQM. More than 3000 visitors from Tanzania and the East African Region will be attending the exhibition during the three days.
